

The best products at the best prices.  
Lots to love. Less to spend.

Apple Financial Services (AFS) makes it easy to bring Apple solutions into your business in a way that is simple and affordable. Even non-Apple products and services can be included to create a consistent and predictable budget for all of your technology needs.

### **Maximize affordability with a Fair Market Value solution**

Apple products retain a high value over time, and AFS guarantees that value up front to provide low payments aligned to a target lifecycle.

#### ***The AFS Difference: AFS EasyReturn***

Every AFS Fair Market Value Solution includes prepaid return packaging, shipping labels, and data erasure to ensure a great return experience.

### **Pay to own with a Financing solution**

Make payments over time with flexible terms ranging from 1-5 years, and own the solution after all payments are made.

#### ***The AFS Difference: Guaranteed Buyback***

AFS will guarantee a buyback price up front, giving confidence in the ability to benefit from Apple products' high value in the future.
